CCWA had an exciting year for cleaning "A Long Way with Many Bends" with 2.5 tons of trash removed from the 5.7 miles of creek! We pulled out 63 tires between the East Pennsboro Arboretum and the beginning of the Highmark property which was the second-most tires recovered in one cleanup in the past 10 years! We pulled out a ladder that helped us get the tires up the bank. We had the most volunteers in one month; 157 was the total number of volunteers for the season! Thank you, Boy Scout Troop 196 and Dickinson College Students. CCWA is making the Conodoguinet, Susquehanna and Chesapeake Bay and oceans healthier with all our volunteers' hard work!

Your CCWA Membership Provides:

- Local watershed education to schools and the community
- Five Annual Volunteer Conodoguinet Creek Clean-Ups
- Local updates on critical environmental issues and public meetings
- Environmental grants to various Cumberland County School Districts
- Partnerships with local governments and other watershed organizations
- Newsletter on CCWA activities, local updates and volunteer efforts
