Attention Livestock Farmers!

ROTATIONAL GRAZING SUPPORT AVAILABLE NOW!

Up to 90% Cost Coverage

Expert Advisement & Up to 90% Cost Share!

Capital RC&D in Carlisle, PA is offering financial assistance to help livestock farmers implement rotational grazing systems. We provide a simple process with a grazing advisor so you can make the transition too!

What's Covered?

Eligible practices may include:

- Fencing for pasture rotation
- Water infrastructure (troughs, pipelines, etc.)
- Pasture improvement and management
- Streamside fencing and planting

Why Rotational Grazing?

- Improve pasture productivity and soil health
- Lower long-term feeding costs
- Enhance drought resilience and stop erosion
- Meet demand for grass fed meat

Funding Ends June 1, 2027

Don't Miss Out!
