# Middle Spring Watershed Association (MSWA)

## About MSWA

*Middle Spring Watershed Association (MSWA) was formed to protect and restore waters of the Middle Spring Watershed, including its tributaries, and to educate the public about the ecological importance and need to protect and restore these waters.*

*Protection and restoration includes addressing sewage treatment issues and development impact; monitoring water quality; removing trash; reducing stream impairments; and improving habitat for fish, plants, and other wildlife.*

*MSWA is a 501(c)3 educational and charitable organization.*

*Stream Awareness Day*

*Like us on Facebook!*

## Events & Meetings

*See*

*[www.middlespringwatershed.org](http://www.middlespringwatershed.org)  
or MSWA's Facebook page for dates  
of events, news, updates on projects,  
and lots of other MSWA-related info.*

## What We Do & Have Done

### **Trash Cleanups**

*MSWA volunteers remove 20-30+ bags of trash from the stream each year.*

### **Water Quality Monitoring**

*MSWA keeps an eye on the stream and monitors stream water quality.*

### **Stream Improvement Projects**

*Riparian buffers and other stream improvements, storm drain tiles.  
Helped remove dam in 2010.*

### **Outreach & Education**

*Work with community groups,  
rain barrel workshops, stream news.  
FLOW art & info show in 2015.*

### **Advocacy**

*MSWA is a voice for the stream.*

*Planting riparian buffer*
